Professional Summary

Enthusiastic Computer Science and Engineering fresher (2027) with hands-on experience in Java, Spring Boot, and REST API development through internships and projects. Proficient in OOP, JDBC, JWT authentication, and MySQL database management. Familiar with MERN stack technologies including React.js, Node.js, and MongoDB. Strong foundation in Data Structures, SDLC, and version control using Git. Eager to contribute to enterprise Java development in a challenging software engineering role.

Internships

MERN Stack Intern , Aalan Infotech

12/2025 – 01/2026

- Built and tested RESTful APIs using Node.js and Express.js; validated endpoints via Postman
- Developed responsive React.js UI components integrated with backend via REST API calls
- Performed CRUD operations on MongoDB collections managing data across a full-stack MERN application

Salem

Java Intern , Imagecon India Pvt Ltd

07/2025 – 07/2025

- Applied Core Java concepts — OOP, Collections Framework, and Exception Handling — in hands-on coding tasks
- Implemented multithreading and file handling modules to build concurrent, fault-tolerant Java applications
- Connected Java applications to databases using JDBC, executing SQL queries for data retrieval and manipulation

Salem

Skills

Technical Skills

- Java, SQL, JavaScript, Python
- Spring Boot, JDBC, REST APIs, JWT
- React.js, HTML5, CSS3
- MySQL, MongoDB
- Git, GitHub, Postman, VS Code, Eclipse

Projects

AttendEase, ROLE BASED ATTENDANCE MANAGEMENT SYSTEM

02/2026 – 04/2026

Technologies: Java, Spring Boot, Spring Security, JWT, REST API, MVC, MySQL, JDBC, HTML5, CSS3, JavaScript, Git

- Designed and developed a full-stack web application using Java and Spring Boot with RESTful API architecture and MVC design pattern
- Implemented JWT (JSON Web Token) based authentication and role-based access control (RBAC) for Admin, Teacher, and Student user roles
- Designed a normalized MySQL relational database schema using JDBC for efficient data retrieval and attendance record management

- Built a responsive frontend using HTML5, CSS3, and JavaScript consuming backend REST APIs via HTTP methods (GET, POST, PUT, DELETE)

Education

BE - COMPUTER SCIENCE ENGINEERING, *THE KAVERY ENGINEERING COLLEGE*

2023 – 2027

CGPA : 7.50

Mecheri, Salem

Certificates

- GIT TRAINING - SIMPLILEARN
- Spring Boot Certificate
- SQL Certificate
